TOOLS FOR TRAVEL MANAGERS

Streamline Travel Management
with Christopherson Business Travel's Digital Travel Tools

✓ SIMPLIFY YOUR WORK

AirPortal 360™ Dashboard

360 View of Travel Management Program

Convenient, single sign-on access to your whole travel program. Plus a mobile app.

Reporting

Customized Data & Reporting Center

Customized reports, performance benchmarking tools, spend data, and ROI analysis.

PolicyLogic®

Policy Design & Enforcement

Integrates, communicates, and enforces your travel policy for improved compliance.

"We realized more than \$300,000 in savings in just the first contract year with Christopherson Business Travel."
- Sandy Hicks, University of Colorado

"In this age of travel, technology, and change, Christopherson is the one TMC to have in your corner."
- Monique Areano, Autoliv

✓ REDUCE YOUR COSTS

AirBank®

Unused Airline Ticket Management

Audit, track, and enforce the use of unused tickets. Cuts cost and eliminates waste.

HotelPrePayLogic®

Secure, Pre-Authorized Hotel Payment

Limit fraud, consolidate hotel spend, ensure negotiated rates with single-use credit cards.

HotelReCheck®

Rate Monitoring Service

Reservations managed & monitored to ensure you always get the lowest available rate.

"AirPortal 360 Mobile allows me to see where all of our employees are at any given time and send them emails in case of an emergency."
- Danielle Lewis, Talisys

✓ SERVE YOUR TRAVELERS

Airtinerary®

Intelligent Itineraries

All travel plans in one, easy-to-read smart document. Universal calendar & Triplt integration.

Travel Approval

Digital Approval Process

Digitally track approvals, modifications, & cancellations. Unifies online & agent approval process.

Traveler Profiles

Advanced Profile Management

Securely store traveler information & preferences. Fully interated with online & agent booking.

✓ MANAGE YOUR RISK

SecurityLogic®

Risk Management Assistance

Locate travelers, verify safety, and communicate with employees for real-time security.

Hotel Attachment

Identify & Attach Missing Hotel Bookings

Know where travelers are by ensuring trip plans are complete. Reduce costs and increase compliance too.
