

8 TOOLS FOR BUSINESS TRAVELERS

Reduce the Stress of Travel with Christopherson's Digital Travel Tools

My Travel

Traveler dashboard with single sign-on access to itineraries, booking options, profile, and more.

1

Traveler Profiles

Profile information with travel preferences and membership numbers stored securely and integrated with booking options.

2

Airtinerary*

Easy-to-read trip plans in one place with calendar and Triplt integration, and links for check-in.

3

EASY ACCESS

AUTOMATED PROCESSES

4

Travel Approval

Digital tracking on full-service bookings to approve, modify, or cancel a trip, and easily acquire manager approval.

5

AirBank*

Digital tracking for unused airline tickets to ensure reuse of those funds at next booking.

PolicyLogic*

Travel policy integration for online and advisor bookings to stay in line with company standards.

6

ALWAYS COMPLIANT

Hotel Attachment

Automated notifications when an itinerary is missing a hotel to ensure trip plans are complete prior to travel.

7

SAFE TRAVELS

8

SecurityLogic*

Real-time risk management tool for safety, location tracking, communication, and peace of mind.
